Most of her clients cry tears of joy when their finished homes are unveiled. Designer to the stars and CEO moguls of the world, Aspenite Zoe Murphy Compton has now pivoted her arsenal of decorating success into a hand-forged lighting and ironworks collection with a European flair. Known far and wide, Compton spins an artistic web of taste, elegance and uniqueness that never fails to "wow" her clients. Winner of the ASID, Colorado Chapter, First Place Interior Design Award, Compton was recognized for her restoration of Aspen's famed Hotel Jerome in the 1980s.
